

SURFERS PARADISE OUTRIGGER CANOE CLUB INC EQUIPMENT LOAN / HIRE POLICY

Club Equipment

All club equipment is to be respected and looked after by all club members during training sessions and race events.

Under no circumstance is club equipment to be removed from the club's training base unless prior arrangements and approval has been sought from the Management Committee. This relates to all equipment - large and small ie. life jackets, steering blades, lights, etc.

Should you become aware of any damage or issues with club equipment, then please report it to the Management Committee at your earliest convenience.

OC1 and OC2

These canoes are for training purposes only and are only permitted to be used during a scheduled club training session by financial club members only or as permitted by the Management Committee. Under no circumstances are they to be used in racing events. All individuals must use their own craft for race events.

Should a club member wish to loan / hire the OC1 and/or OC2 outside of a scheduled club training session, then approval must be sought from the Management Committee. If approved, the club member must ensure the sign in/sign out register is completed. The sign in/sign out register (see following page) will be kept in the club trailer at all times. By signing, those individuals acknowledge that they take full responsibility for any damage sustained to the canoe/s.

Please Note:

These canoes are not to be used unless approval is granted by the Management Committee.
